According to Public Act 16-77, effective May 2, 2016, the Health IT Advisory Council membership has been amended to include three new members – (1) Health Information Technology Officer, (2) a representative of the Connecticut State Medical Society, and (3) a health care consumer or a health care consumer advocate. Additionally, a representative of an outpatient surgical facility has been replaced by a technology expert who represents a hospital system. Please note, new council members are listed italicized and are in red.
